NEP IMPLEMENTATION CELL 2024-2025

NEWS LETTER

About NIT

Nehru Institute of Technology (NIT), Coimbatore, established in 2008, is an autonomous, NAAC A+ accredited institution affiliated with Anna University. The eco-friendly 12-acre campus features modern facilities, including a vast library, and aligns with UN Sustainable Development Goals through various green initiatives. NIT maintains strong industry collaborations and supports entrepreneurship via its EDC. Guided by the IQAC, the institute embraces NEP 2020 principles, focusing on curriculum flexibility, skill-based learning, and holistic student development.

About IQAC

The Internal Quality Assurance Cell (IQAC) at Nehru Institute of Technology, Coimbatore, drives continuous improvement in academic and administrative quality, adhering to NAAC guidelines and NEP 2020. Its core mission is to foster a culture of quality, ensure efficient execution of tasks, and promote innovative teaching-learning and multidisciplinary approaches. The IQAC achieves this by developing quality benchmarks, facilitating a learner-centric environment, gathering stakeholder feedback, and preparing the Annual Quality Assurance Report (AQAR). Ultimately, it strengthens institutional focus, enhances coordination, and supports ongoing excellence in teaching, research, and student development.

About NEPIC

The NEP (National Education Policy) Implementation Cell at Nehru Institute of Technology, Coimbatore, is tasked with integrating the goals of the NEP 2020 into the college's operations, academics, and administration. Its core function is to implement the policy's provisions and initiatives. To achieve this, the Cell oversees various sub-cells focusing on key areas:

- * Universal Human Values
- * Digital Learning
- * Indian Knowledge System
- * Indian Language System
- * Skill Development

Message

NEP IMPLEMENTATION CELL
NIT, COIMBATORE

ADV.DR.P.KRISHNADAS

Chairman & Managing Trustee - Nehru Group of Institutions
Honorary Trade Commissioner of Mauritius to India

It gives me great pleasure to note the efforts of the NEP Implementation Cell at Nehru Institute of Technology, Coimbatore, for the academic year 2024-2025. The Cell plays a vital role in aligning our institution with the vision of the National Education Policy, fostering innovation and holistic learning. I appreciate the team's commitment to quality education and continuous improvement. My best wishes for continued success in all future initiatives.

DR.P.KRISHNAKUMAR

CEO & Secretary - Nehru Group of Institutions

I am delighted to commend the NEP Implementation Cell of Nehru Institute of Technology, Coimbatore, for its dedicated efforts during the academic year 2024-2025. The Cell's initiatives reflect our commitment to realizing the goals of the National Education Policy through innovation, inclusivity, and excellence. I encourage the team to continue fostering transformative educational practices that empower students for the future. Best wishes for continued success.

DR H.N.NAGARAJA

Executive Director - Academics & Administrations, Nehru Group of Institutions

I am pleased to acknowledge the commendable initiatives of the NEP Implementation Cell at Nehru Institute of Technology, Coimbatore, for the academic year 2024-2025. The Cell's efforts in integrating the principles of the National Education Policy reflect our commitment to academic excellence and student-centered learning. I appreciate the team's dedication in driving meaningful educational transformation. Best wishes for continued success in all endeavor

DR.M.SIVARAJA

Principal, Nehru Institute of Technology

I am delighted to appreciate the proactive initiatives of the NEP Implementation Cell at Nehru Institute of Technology, Coimbatore, for the academic year 2024-2025. The Cell's commitment to promoting the ideals of the National Education Policy is instrumental in enhancing quality education and holistic development. I commend the team's continuous efforts toward academic innovation and excellence. Best wishes for greater achievements ahead.

DR.S.PATHURNISHA

Director - IQAC, Nehru Institute of Technology

I am pleased to acknowledge the remarkable efforts of the NEP Implementation Cell at Nehru Institute of Technology, Coimbatore, for the academic year 2024-2025. The Cell's initiatives in aligning our practices with the National Education Policy are key to enhancing academic quality and fostering holistic student development. I commend the team for their dedication and innovative approach. Wishing them continued success in all future endeavors.

DR M.KUMARESAN

Head- NEPIC, Nehru Institute of Technology

I am proud to highlight the efforts of the NEP Implementation Cell at Nehru Institute of Technology, Coimbatore, for the academic year 2024-2025. The Cell's initiatives reflect our commitment to implementing the National Education Policy effectively, fostering innovation and holistic learning. I appreciate the team's dedication and hard work in driving academic excellence. Wishing them continued success in all future endeavors.

● ABOUT IKSC

The Indian Knowledge System (IKS) Cell aims to promote awareness and understanding of India's rich intellectual traditions, scientific heritage, and cultural values. It encourages the integration of ancient Indian wisdom with modern education to foster holistic learning. The cell organizes lectures, workshops, and research activities highlighting traditional knowledge in areas like science, technology, art, and philosophy. Its goal is to inspire innovation rooted in India's timeless knowledge systems while nurturing national pride and global relevance.

ABOUT UHVC

The Universal Human Values (UHV) Cell focuses on nurturing ethical, moral, and humanistic values among students and faculty. It aims to develop a sense of harmony within oneself, with others, and with nature. Through seminars, workshops, and value-based education programs, the cell promotes understanding, compassion, and responsible living. Its ultimate goal is to create socially responsible, self-aware individuals who contribute positively to society.

KEY HAPPENINGS

An Awareness Program held on " Importance of Universal Human Values" held on 11.12.2024, The resource person is Dr. T. Anupriyanka, Coordinator- UHVC

UHV in the protection of Human Rights- Lecture series-I held on 28.01.2025, The chief guest for the session is Dr. R. Moses Daniel, Principal, Nehru School of Management

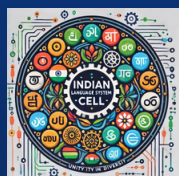

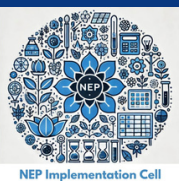

UHV in the protection of Human Rights- Lecture series-II held on 11.03.2025, The chief guest for the session is Dr. R. Moses Daniel, Principal, Nehru School of Management

ABOUT ILSC

The Indian Language System (ILS) Cell works to preserve, promote, and strengthen the use of Indian languages in education and communication. It encourages students and faculty to appreciate the linguistic diversity and cultural richness of India. The cell organizes events, competitions, and workshops to enhance proficiency and pride in regional and classical languages. Its mission is to integrate Indian languages into academic and professional contexts, fostering inclusivity and national identity.

National Level Seminar on Empowering minds through multilingual education: Unveiling opportunities and cultural harmony held on 15.02.2025, P.K.Das auditorium, NIT Campus

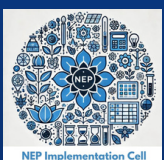

ABOUT SDC

The Skill Development Cell aims to equip students with essential technical, professional, and life skills needed for career readiness and personal growth. It bridges the gap between academic learning and industry requirements through training programs, workshops, and internships. The cell promotes hands-on learning, innovation, and entrepreneurship. Its mission is to empower students to become competent, confident, and employable professionals in a rapidly changing world.

Empowering the Future: Inside the Digital Learning Cell

At the Nehru Institute of Technology, we believe that education should have no boundaries. The Digital Learning Cell (DLC) stands as the heartbeat of our academic innovation, serving as a dedicated hub where technology meets ambition. Designed with a strictly student-centered approach, the DLC ensures that our learners are not just degree-holders, but industry-ready professionals.

Our Global Learning Partners

To provide a world-class edge, the Digital Learning Cell integrates three pillars of online excellence:

Spoken Tutorial (IIT Bombay): Through this prestigious collaboration, students master complex software and IT skills via self-paced audio-visual workshops. This initiative promotes IT literacy and provides certificates directly from IIT Bombay.

NPTEL (National Programme on Technology Enhanced Learning): NIT students have direct access to high-quality courseware curated by the IITs and IISc. These rigorous courses bridge the gap between college curriculum and global standards.

Coursera: By partnering with one of the world's leading online learning platforms, we bring courses from Ivy League universities and top-tier tech giants like Google, IBM, and Meta right to our campus.

Bravo Blast- 25 An Appreciation Event for Digital Learners through Digital Learning Cell (DLC) on 19.03.2025, Sri Visvesvaraya Auditorium, NIT Campus

ABOUT NEP SAARTHI

The NEP SAARTHI (Student Ambassador for Academic Reforms in Transforming Higher Education in India) is a flagship initiative by the University Grants Commission (UGC). It aims to involve students directly in the implementation of the National Education Policy (NEP) 2020

Key Roles of an NEP SAARTHI

The following are the core responsibilities:

Ambassador: Act as a representative of NEP 2020 reforms on campus.

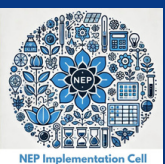

Feedback Link: Establish a feedback loop between students and the UGC to address concerns regarding new academic frameworks.

Awareness: Organize "Nukkad Nataks" (street plays), debates, and social media campaigns to explain policies like the National Credit Framework (NCrF).

Selection & Recognition

Nomination: HEIs nominate students based on communication skills, leadership, and creativity.

Rewards: Along with newsletter publication, students receive a Certificate of Recognition, mentions on UGC social media, and invitations to national-level education events.
