Name of Activity/Event/Program	UHV in the protection of Human Rights-Lecture series II
Date	11/03/2025
Venue	P K DAS Auditorium
Organized by	IQAC,National Education Policy Implementation Cell (NEPIC),Universal Human Values Cell (UHVC)
Name of Faculty/Coordinator	Dr. T.Anupriyanka, Coordinator - UHVC
ResourcePerson	Dr.R. Moses Daniel, Principal, Nehru School of Management
Participated by	I Year B.E.CSE-Cyber Security, B.Tech Food Tech and B.Tech IT students - 159
Objective	The objectives of the program are Understand the Concept of Universal Human Values: To explain the fundamental human values such as dignity, equality, justice, and freedom, and how they form the foundation of human rights protection across cultures and societies. Examine the Relationship Between Human Values and Human Rights: To explore how universal human values support the promotion and enforcement of human rights, ensuring the protection of individuals' rights regardless of nationality, culture, or religion. Promote Respect for Cultural Diversity and Human Rights: To understand the importance of respecting cultural diversity while advocating for universal human rights, fostering an inclusive approach to human rights protection in different societal contexts.
Content	The content of this program consists of 1.The Foundation of Universal Human Values: • Explanation of core human values such as dignity, freedom, equality, justice, and respect. • The philosophical, cultural, and religious perspectives that contribute to these universal values. • How these values are embedded in international human

	rights frameworks like the Universal Declaration of Human Rights (UDHR) and other human rights treaties. 2.Human Rights and Ethical Responsibilities: • A discussion on the ethical basis of human rights protection, grounded in universal human values. • The roles and responsibilities of governments, organizations, and individuals in safeguarding human rights. • The importance of human values in addressing human rights violations such as discrimination, injustice, and oppression.
Outcome of Activity/Event/Program	The outcome of the program promoting universal human values in the protection of human rights can be measured through several significant impacts on both individuals and societies. 1.Enhanced Understanding of Universal Human Values: Participants will gain a deeper understanding of universal human values such as dignity, equality, justice, and freedom, and how these values form the foundation of human rights protection globally. 2.Critical Awareness of Human Rights Challenges: Attendees will develop the ability to critically assess the global challenges and barriers to human rights protection, such as cultural relativism, political oppression, and social inequalities, and recognize the role of universal values in overcoming these challenges. 3. Strengthened Ethical Commitment to Human Rights: Participants will develop a stronger ethical commitment to defending and promoting human rights, understanding their personal role in advocating for dignity, equality, and justice in their communities and societies. 4. Practical Knowledge of Human Rights Mechanisms: Attendees will gain knowledge of international human rights frameworks and legal mechanisms, such as the Universal Declaration of Human Rights (UDHR), and how these can be used to protect and promote human rights on a global scale 5. Empowered Advocacy and Social Action: The program will empower participants to engage in human rights advocacy, equipping them with the tools and values necessary to contribute to local and global efforts aimed at protecting human rights and promoting social justice.
